The show is being run according to BAS rules for a fleece show. Provided that fleeces reach the required standards, sashes will be awarded for colour champions and reserve champions and for Best of British, Judges Choice and Supreme Champion. The following awards are being made that are not standard BAS awards:

- The **“Spirit of the Industry”** trophy with a special rosette. This will be awarded to the fleece that exemplifies those qualities that will most benefit the British Fibre Industry as it strives to maximise the potential of British Alpaca Fibre. It will only be awarded to only those fleeces of alpacas 3 years and older which demonstrate superiority in commercial traits. Traits that will be taken into consideration by the Judge will be, but not limited to, fineness, uniformity of all traits, staple length and weight. It may be awarded to either Suri or Huacaya only if a fleece meets the criteria otherwise it will go forward to the following year unawarded. The prestigious trophy was kindly donated by Alpaca Evolution and will be held by the winner for one year.
- **Best Fleece from an EAG Member.** A sash for the highest scoring Huacaya or Suri fleece entered by an Eastern Alpaca Group Member. To be eligible the exhibitor must be a paid up member on 1st August 2022. In the event of two entries scoring the same highest mark, the judge will make the decision.

- **Best Skirted Fleece.** A special rosette for the best skirted fleece (Huacaya or Suri). During judging, the judge will select the potentially best skirted fleeces, which will be awarded special commendation certificates, and then make a decision between these fleeces at the end to award the rosette.
- **Best Fleece from a Newcomer.** A sash for the highest scoring Huacaya or Suri fleece entered by an exhibitor who is a newcomer to fleece shows (to be eligible the entrant must not have won a rosette in a BAS fleece show). In the event of two entries scoring the same highest mark, the judge will make the decision.
- **Silver Senior.** A special rosette awarded for the fleece from the oldest alpaca (by date of birth as printed in the catalogue) with a high scoring fleece.

A letter from our Chair

Dear Exhibitor,

Thank you for entering your fleece to be judged at the 2022 Eastern Alpaca Group show. Entries were fully subscribed very early. We welcome Roger Clarke who will be judging your fleece entries this weekend.

Thank you also to Paul Valley from Art of Fibre who has also travelled from Ireland to fibre test all the entries as they are judged on the day. Paul has kindly agreed to host a Winter Warmer Webinar on the importance of fibre testing and interpreting your results.

A very big thank you to all our sponsors who have supported us again this year. Without your generosity, shows like this could not happen.

Plans are well advanced for the 2022 Halter show at Beechwood Equestrian Centre in October judged by Jay Holland. If you have entered then we look forward to welcoming you then.

Our AGM in September which once again will be virtual to enable all members to easily participate. Full details to follow.

I would like to thank all the stewards at this weekend's show and the EAG committee members who work tirelessly to keep the group active and organise all the events throughout the year. Without them there would be no group, events or shows.

Thank you again for supporting our show and on behalf of the committee may I wish you every success.

Best wishes
Simon Ilett
